**WHAT IF YOU
MANAGED YOUR DATA
DIFFERENTLY?**

MULTICHANNEL MARKETING THROUGH DATA MANAGEMENT SOLUTION

ONE TRUSTED SOURCE OF DATA

Your product information, digital assets, suppliers, distributors, points of sales and customer reviews in one place

MULTILINGUAL AND MULTICHANNEL

Easily publish tailored content in multiple formats and contexts on different channels

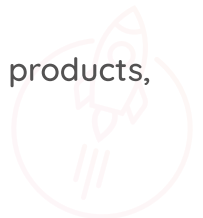

COLLABORATIVE

Improve your overall business efficiency thanks to automated workflows

EFFICIENT

Speed up your time-to-market while launching new products, offers, and services

CENTRALIZE

Your data is organized and synchronized

ENRICH

It is enriched by all predefined internal and external users

PUBLISH

The content is customized and automated for different channels

AN UNLIMITED POTENTIAL FOR AN INCREDIBLE EXPERIENCE

CUSTOMIZABLE

The platform entirely adapts to the company's business field and users' activities

FLEXIBLE

Easily integrates with the existing system thanks to RESTful API and multiple connectors

ROBUST

Ability to process large volumes of data, media, publication channels and users

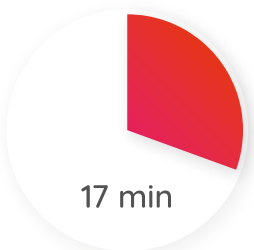

WHAT ABOUT RETURN ON INVESTMENT?

CREATING A PRODUCT SHEET

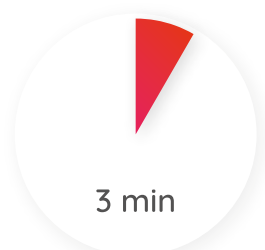

17 attributes · 1 photo · 1 channel · 1 language

WITHOUT MAPS SYSTEM	WITH MAPS SYSTEM
